**CHURCH FAMILY**

Message from Annette Tooke:-

**Joyce Serls** is now in Liskeard Hospital (Oak ward) and according to her brother Peter she is progressing well with a light plaster on her arm and becoming more mobile walking.

I assured Peter of our love and prayers for Joyce.

**Wendy Jacob** is back home and feeling much better after her time in Treliske hospital.

Please continue to pray for these special Christian ladies.

.....

**PRAYER FOCUS** On 12<sup>th</sup> April each year people all around the world come together to observe the **International Day for Street Children**. This special day highlights the lives and rights of millions of children who rely on the streets for their survival. The aim is to make sure that their rights and voices are recognised and respected, no matter where they are in the world.

Loving Creator, on this day, we remember every child who calls the streets their home. We pray that they will find shelter, kindness and hope. May every child know they are seen, valued, and loved. Guide leaders, communities, and each of us to build a world where no child is left without care, and where dreams are not stolen by hunger, fear, or neglect. Amen.

We also pray for everyone living or working in **Albert Road, Kings Ave and East Hill**

**PUZZLE: Last week's:** What is a liquid at room temperature in its original state but solidifies when heated?

**Answer:** An egg. **This week's:** How can you change a "seed" to a "tree" by changing one letter at a time? Each time you change a letter, a new word must be formed.

**QUOTE:** Our Lord has written the promise of resurrection, not in books alone, but in every leaf in springtime.  
- *Martin Luther*

**AND FINALLY:** Susie asked her dad why Jesus first appeared to women after his resurrection. Her dad smiled and said, "He wanted to make sure the news spread quickly."
